

# Hazlet Starz Cheer Fundraiser

Here is how it works; Circle 6 numbers from the box below for \$10.00. Starting July 24, 2017 we will keep track of the numbers drawn from each NJ Pick 6 Lottery (Mondays and Thursdays). We will mark off anyone that has any of the numbers. The first person to get 6 numbers wins the jackpot, which is 50% of the proceeds. If there is more than one winner, proceeds will be divided equally. Emails will be sent to provide updates. This could take a few weeks, but it will be well worth the wait!
